

These lists are by no means comprehensive. If your degree does not appear on either list, then it may still be considered relevant. In these circumstances you will need to provide a list of the units studied during your qualification (e.g. course transcript) as part of your application so that an assessment can be made. Over time, as qualifications are presented to the association and assessments are made, they will be added to the below lists.

## Approved Degrees

The following degrees are approved by the Western Australian Association of Youth Workers as meeting the standard required for membership.
